

New Day Ranch
An Equine Achievement Program
EIN # 27-4722366
Website: www.newdaynky.org

Our team of certified Instructors, committed volunteers and uniquely trained horses specialize in equine assisted therapies along with alternative and traditional therapeutic programs. New Day has been operating since 2011 and recently received our very own space at Meadowview Farm in Union, Kentucky. Here we have a historic home for retreats, clinics and therapeutic venues, which is in addition to the large equestrian venue.

We are seeking some assistance as we prepare our space to serve our many clients.

Thank you for your thoughtful donation.
